System Requirements for Viewing Course Materials

Presentations that comprise the CME courses have been adapted for online viewing.

System requirements for viewing the material online include the following:

Flash Player. Download the free Flash player:
www.adobe.com/products/flashplayer/

Microsoft Media Player, Real Player, or Quicktime Media Player

Sound Card and speakers (or headphones)

If you have difficulty viewing a presentation, please contact the Texas Heart Institute webmaster at webmaster@heart.thi.tmc.edu.
